

MORNING JOY

MARCUS CLICK

ABOUT MORNING JOY

This is the third single released from Marcus's new album entitled, Brand New Day. It's a delightful, upbeat bundled with melodies, harmonics, which are complimented with the Spanish Guitar, outstanding piano play and top-notch saxophone musicianship from Marcus. This tune is definitely a morning eye opener and a head bobbing tune that will tempt one to keep it on a continuous loop. The musicians accompanying Marcus on Morning Joy, to make this song a hit, is jazz pioneer, keyboardist & recording artist, William Green, along with the multi-talented Instrumentalist & A-List Artist Producer, Ben Parris.

GOING FOR ADDS JANUARY 8, 2024
